CONTENTS

No. 1—January

PAGE

BERRY, C. L. The development of the granuloma of histoplasmosis (Plates I and II) 1

GHANI, A. R. The role of blood mononuclear cells in the organisation of mural thrombi (Plates III–VI) 11

THOMPSON, P. L., KATHERINE E. WILLIAMS and M. N-I. WALTERS. Fat embolism in the microcirculation: an in-vivo study (Plates VII–XI) 23

DAAMEN, C. B. F., and A. SCHABERG. Hemilateral liver degeneration in perinatal death (Plate XII) 29

ADAMS, C. W. M., R. W. R. BAKER, R. S. MORGAN and C. C. ORTON. Effect of oral polyunsaturated lecithin on the development of atheroma and fatty liver in the cholesterol-fed rabbit 35

MACLAREN, D. M. The significance of urease in proteus pyelonephritis: a histological and biochemical study (Plates XIII and XIV) 43

GARDNER, D. L., and MARGARET A. MATTHEWS. Ultrastructure of the wall of small arteries in early experimental rat hypertension (Plates XV–XXIV) 51

COUPLAND, R. E., J. D. B. MACDOUGALL, W. S. MYLES and M. MCCABE. The effect of hyperbaric oxygen on mitochondrial enzymes, lipid peroxides and adenosine triphosphate-induced contraction of mitochondria in organ cultures and cell fractions of rat liver (Plates XXV and XXVI) 63

CARTER, R. L., W. H. PERCIVAL and F. J. C. ROE. Exceptional sensitivity of mink to the hepatotoxic effects of dimethylnitrosamine (Plates XXVII–XXX) . . 79

CHENG, K. K., K. M. LI and QUINCTILLIS Y. H. MA. The mechanism of respiratory failure in ciguatera poisoning (Plates XXXI and XXXII) 89

STUART, A. E., JANET CLARK, J. BOULTON and J. G. COLLEE. Auto-phagocytosis in mouse typhoid (Plates XXXIII–XLV) 93

CHU, K. C., R. S. SOHAL, S. C. SUN, G. E. BURCH and H. L. COLCOLOUGH. Lipid cardiomyopathy of the hypertrophied heart of goldthioglucose obese mice (Plates XLVI–XLIX) 99

TRUDINGER, B. J., and D. L. WILHELM. Regeneration of gastric mucosa at the squamo-columnar junction in the rat (Plates L–LIII) 105

VAN GOOL, J., and NITA C. J. J. LADIGES. Production of foetal globulin after injury in rat and man (Plates LIV and LV) 115

FOX, B. Unilateral adrenal necrosis and haemorrhage following operations on the stomach (Plates LVI–LVIII) 127

JANKUS, A. Heterotopic large-bowel cyst in the tongue (Plate LIX) . . . 137

NORRIS, HENRY J., F. M. GARNER and HERBERT B. TAYLOR. Pathology of feline ovarian neoplasms (Plates LX and LXI) 138

PAGE

MORGAN, A. D. Carcinomas of rectum and prostate metastasising to the same lymph-nodes (Plates LXII and LXIII) 143

HARTVEIT, FLORA. Inhibition of the subcutaneous growth of Ehrlich's ascites carcinoma in female mice by polyethylene glycol 4000 145

KRASZNAI, G., and I. JUHÁSZ. Angiomatous lymphoid-tissue hyperplasia (Plates LXIV and LXV) 148

MCKENZIE, I. F. C., and PRISCILLA KINCAID-SMITH. Foam cells in the renal glomerulus (Plates LXVI–LXVIII) 151

PARRY, E. W. A quantitative method for assessment of hepatocellular lysosomes—its application to normal and tumour-bearing animals (Plate LXIX) 155

MACLEOD, LUCILE J., and B. E. HEARD. Area of muscle in tracheal sections in chronic bronchitis, measured by point-counting (Plate LXX) 157

SMITH, W. THOMAS. Intracerebral autografts of mouse tail skin (Plates LXXI–LXXIII) 162

BORIT, ADAM. Embryonal carcinoma of the pineal region (Plates LXXIV and LXXV) 165

JONES, J. E. T., and H. WILLIAMS SMITH. Histological studies on weaned pigs suffering from diarrhoea and oedema disease produced by oral inoculation of *Escherichia coli* (Plate LXXVI) 168

OBITUARY—

John Rupert Squire (Plate LXXVII) 173

BOOKS RECEIVED 181

No. 2—February

RILEY, P. A. Hydroxyanisole depigmentation: in-vivo studies (Plates LXXVIII–LXXXI) 185

RILEY, P. A. Hydroxyanisole depigmentation: in-vitro studies 193

SMITH, BARBARA. Skeletal muscle necrosis associated with carcinoma (Plates LXXXII and LXXXIII). 207

SLOTWINER, P., S. K. SONG and P. J. ANDERSON. Skeletal muscle changes in leprosy: their relationship to changes in other neurogenic diseases affecting muscle (Plates LXXXIV–LXXXVIII) 211

WILKINSON, P. J., and D. B. CATER. An electron-microscope study of the effects of lysolecithin on BP8 ascites-tumour cells and phagocytes of mice, compared with the effects of a specific anti-tumour serum plus complement (Plates LXXXIX–XCVIII) 219

DAWSON, D. W., and E. TAPP. A compound tumour of the adrenal medulla (Plates XCIX and C) 231

VAN GORP, L. H. M., and G. J. V. SWAEN. Myelofibrosis in rats experimentally infected with a murine leukaemia virus (Plates CI–CIII) 235

THORPE, E., C. GOPINATH, R. S. JONES and E. J. H. FORD. The effect of chloroform on the liver and the activity of serum enzymes in the horse (Plates CIV–CVII) . 241

SALM, R. Papillary carcinoma of the epididymis (Plates CVIII and CIX) . . 253

ELSTON, C. W. Cellular reaction to choriocarcinoma (Plates CX–CXIII). . . 261

PAGE

JAMES, C. C. MICHAEL, L. P. LASSMAN and B. E. TOMLINSON. Congenital anomalies of the lower spine and spinal cord in Manx cats (Plates CXIV–CXVII) . . 269

HORVÁTH, ÉVA, K. KOVÁCS and D. SZABÓ. An electron-microscope study of the adrenocortical lesion induced by 7,12-dimethylbenz(a)anthracene in rats (Plates CXVIII–CXXI) 277

SEVERSON, ARLEN R., and VERNON L. YEAGER. Remodelling of periosteal lesions induced by surgical stimulation or beta-aminopropionitrile administration (Plates CXXII–CXXVI) 283

WILLOUGHBY, D. A., ELIZABETH COOTE and J. L. TURK. Complement in acute inflammation (Plate CXXVII) 295

SILLER, W. G., and J. W. WELLS. Hepatic porphyria in the fowl: a new disease? (Plates CXXVIII and CXXIX) 307

BREWER, DOUGLAS B., DONALD HEATH and PETER ASQUITH. Electron microscopy of desquamative interstitial pneumonia (Plates CXXX–CXXXIV) . . . 317

CORRIN, B., and E. KING. Experimental endogenous lipid pneumonia and silicosis (Plates CXXXV–CXLI) 325

VINK, H. H. Rhabdomyomatosis (nodular glycogenic infiltration) of the heart in guinea-pigs (Plate CXLII) 331

REUBER, MELVIN D. Calcium disodium edetate nephrosis in female rats of varying ages (Plates CXLIII–CXLV) 335

APARICIO, S. R., and C. E. LUMSDEN. Light- and electron-microscope studies on the granular cell myoblastoma of the tongue (Plates CXLVI–CLIV) . . . 339

STANLEY, VALERIE C., and ROSALINDE HURLEY. The growth of *Candida* species in cultures of mouse peritoneal macrophages (Plate CLV). 357

STEVENS, J. E., and D. A. WILLOUGHBY. The anti-inflammatory effect of some immunosuppressive agents 367

FRIEDMANN, I., and E. S. BIRD. Electron-microscope investigation of experimental rhabdomyosarcoma (Plates CLVI–CLXI) 375

JONES, E. L. Primary squamous-cell carcinoma of breast with pseudosarcomatous stroma (Plates CLXII and CLXIII) 383

LAWLER, R. G. Cartilaginous metaplasia in a breast tumour (Plates CLXIV and CLXV) 385

DISCHE, M. RENATE. Metachromatic leucodystrophic polyposis of the gall bladder (Plates CLXVI and CLXVII) 388

FAWCETT, F. J., T. HOLLINGWORTH and L. D. ABRAMS. Fibrin membrane formation in the left ventricular outflow tract following prosthetic replacement of the aortic valve (Plates CLXVIII and CLXIX) 391

JEFFCOTT, L. B. Primary liver-cell carcinoma in a young thoroughbred horse (Plates CLXX and CLXXI). 394

TAPP, E., and R. S. HICKLING. Renal artery rupture in a pregnant woman with neurofibromatosis (Plates CLXXII and CLXXIII) 398

PAGE

RAEBURN, C. Ciliated epithelium occurring in a duplication of the gall bladder (Plate CLXXIV) 402

OBITUARY—

Geoffrey Hadfield (Plate CLXXV). 405

No. 3—March

AMARAL-MENDES, J. J. Histopathology of primary lung tumours in the mouse (Plates CLXXVI–CLXXXI). 415

DYKES, J. R. W. Histometric assessment of human testicular biopsies . . . 429

BERRY, C. L. The production of disseminated histoplasmosis in the mouse: the effects of changes in reticulo-endothelial function (Plates CLXXXII–CLXXXV) . 441

COCHRAN, A. J. Histology and prognosis in malignant melanoma (Plate CLXXXVI) 459

DESA, D. J. Pulmonary fluid content in infants with respiratory distress (Plate CLXXXVII) 469

LEHNER, THOMAS. Pathology of recurrent oral ulceration and oral ulceration in Behcet's syndrome: light, electron and fluorescence microscopy (Plates CLXXXVIII–CXCV) 481

ADAMS, D., J. J. WILLIAMSON and A. E. DOLBY. Delayed hypersensitivity response in guinea-pig oral mucosa (Plates CXCVI and CXCVII) 495

CARTER, R. L., D. G. JAMISON and R. L. VOLLUM. Histological changes evoked in mice by Freund's complete adjuvant (Plates CXCVIII–CCI) 503

KYRIAKOS, MICHAEL, and NORMAN S. IKARI. The role of antibody in experimental pyelonephritis 513

LYKKE, A. W. J., D. A. WILLOUGHBY and E. R. KOSCHE. A study of the anti-inflammatory action of pyridinolcarbamate (Anginin) (Plate CCII) 527

BARABAS, A. Z., and R. LANNIGAN. Auto-immune nephritis in rats (Plates CCIII–CCVII) 537

BECK, J. SWANSON, R. L. GORDON, D. DONALD and JENNIFER M. O. MELVIN. Characterisation of antisera to a growth-hormone-like placental antigen (human placental lactogen): immunofluorescence studies with these sera on normal and pathological syncytiotrophoblast (Plates CCVIII–CCX) 545

KERR, J. F. R. An electron-microscope study of liver cell necrosis due to heliotrine (Plates CCXI–CCXV) 557

ROBERTS, R. J., W. M. SHEARER, A. L. S. MUNRO and K. G. R. ELSON. The pathology of ulcerative dermal necrosis of Scottish salmon (Plates CCXVI–CCXIX) . 563

HABANEC, BORIS, and MAX DLUHOŠ. Sinobronchitis in children 565

CHAN, W. C. The role of the lymph-node permeability factor in nephrotoxic nephritis in rats (Plate CCXX) 568

OBITUARY—

Ernst Neumark (Plate CCXXI) 573

BOOKS RECEIVED 577

PROCEEDINGS OF THE SOCIETY 587

No. 4—April

PAGE

DAVIES, M. J., N. WOOLF and J. P. W. BRADLEY. Endothelialisation of experimentally produced mural thrombi in the pig aorta (Plates CCXXII–CCXXX) . . 589

WOOLF, N., and K. C. CARSTAIRS. The survival time of platelets in experimental mural thrombi (Plates CCXXXI–CCXXXVI) 595

SCOTT, P. J., and P. J. HURLEY. Incorporation of radioiodinated serum albumin and low-density lipoprotein into human thrombi *in vivo* 603

TONER, PETER G., and KATHARINE E. CARR. The use of scanning electron microscopy in the study of the intestinal villi (Plates CCXXXVII–CCXL) . . . 611

THORPE, E., and E. J. H. FORD. Serum enzyme and hepatic changes in sheep infested with *Fasciola hepatica* (Plates CCXLI–CCXLIV) 619

BIRD, C. C., and R. A. WILLIS. The histogenesis of pigmented neurofibromas (Plates CCXLV–CCXLVIII) 631

CAPUTO, ANTONIO. Antigens of Yoshida tumour cells (Plate CCXLIX) . . . 639

SHEAR, MERVYN. Primary intra-alveolar epidermoid carcinoma of the jaw (Plates CCL–CCLII) 645

BERRY, C. L. Modification of the host response in experimental histoplasmosis (Plates CCLIII and CCLIV) 653

GHIDONI, J. J., and MARION M. CAMPBELL. Fine structure of metaplastic cornified squamous epithelium in the urinary bladder of rats (Plates CCLV–CCLXIII) 665

ANDERSON, C. The juxtaglomerular apparatus in hypertensive patients with coarctation of the aorta of adult type (Plate CCLXIV) 671

WOLKE, R. E., H. D. EATON, S. W. NIELSEN and C. F. HELMBOLDT. Qualitative and quantitative osteoblastic activity in chronic porcine hypervitaminosis A (Plate CCLXV). 677

HARCOURT-WEBSTER, J. N., and R. F. TRUMAN. Histochemical study of oxidative and hydrolytic enzymes in the abnormal human parathyroid (Plates CCLXVI–CCLXVIII) 687

DAVIES, D. J. The structural changes in the kidney and urinary tract caused by ethyleneimine (" vinylamine ") (Plates CCLXIX–CCLXXIII) . . . 695

WILLIAMS, D., W. JONES WILLIAMS and J. E. WILLIAMS. Enzyme histochemistry of epithelioid cells in sarcoidosis and sarcoid-like granulomas (Plates CCLXXIV and CCLXXV) 705

TAPP, E., C. G. GEARY and D. W. DAWSON. Thrombotic micro-angiopathy with macroscopic infarction (Plates CCLXXVI–CCLXXIX). 711

SALM, R. Superficial intra-uterine spread of intra-epithelial cervical carcinoma (Plates CCLXXX and CCLXXXI) 719

WALTERS, M. N-I., J. M. PAPADIMITRIOU and J. M. ARCHER. Ultrastructural morphology of the acute inflammatory reaction induced by lymph-node permeability factor (LNPF) (Plates CCLXXXII–CCLXXXVI). 725

KEARNEY, M. S. Total absence of the pulmonary artery with bilateral patent ductus arteriosus (Plates CCLXXXVII and CCLXXXVIII) 729
